The Power of Crystals ~ Experience Crystalline Energy for a Better Life

Petra is the Founder of 'Soul Light Institute of Massage and Holistic Healing' offering treatments, training and workshops in complementary therapies. The name Petra comes from the Greek word 'petros', meaning stone or rock – no wonder gemstones and crystals captivated her when she first encountered them. Today she applies them to her work in Crystal Light Healing®, crystal massage/reflexology, and chakra balancing. An intuitive life and spiritual coach, Petra also uses dowsing rods for healing work and draws on her broad knowledge of symbols and the body's energy pathways for healing both humans and animals. Petra's commitment to helping people bring their health and life in balance forms part of her vision for peace, harmony and freedom in the world.

Crystals are the blossoms of the mineralogical portion of the Earth; the recognition of the beauty and loving energies of these forms can greatly enhance one's personal development. Experience and deepen your connection with the crystals to heal the body, balance the emotions and inspire spirit in your everyday life
