### 2018 Year of the Dog ~ Your Destiny, the Tools & Remedies

Salwa is the Principal Owner of **Ministry of Feng Shui & Ministry of Four Pillars of Destiny** which is accredited by the education department. She began Feng Shui & Chinese Astrology (Destiny) as a Hobby in 1991 while teaching Archery in the US. In 2002, she started doing Calendars for the year to show good and bad days for everyone. Now there are diaries and she can personalise them for the individual, as well.. She has written six books (including Face Reading) and also travels around Australia and overseas to speak.

According to the Chinese Zodiac, your birth year says more than just your age. The Chinese believe that the animal ruling your birth year has a profound influence on your personality, relationships, and your destiny. As each home and person has their own destiny, you need to know when and where your luck, dollars, talents, skills, education, knowledge, relationships and children are. The Year of the Dog focuses on the year and how and what it will bring you from these aspects.

The Evenings' Presentation will Focus on;

- *Year of the Dog - Digging for What?*
- *What Element the Dog Comes with?*
- *What Does it Mean to you, Individually/Elementally?*
- *What and if you Need to Wear an Animal to Get you Through the Year.*
- *Your Destiny Marries with your Home and Where to Place your Tools this Year for Effortless Living.*

**Capitalise on your Destiny through understanding Chinese Astrology.
