Dr. Maree Batchelor

to speak on

Escaping the Matrix

Dr. Maree Batchelor, MD, worked in mainstream medicine as a GP (family doctor) for over twenty years. As well as her medical degree, she has a Diploma of Obstetrics and Gynaecology and is a Fellow of the Royal Australian College of General Practitioners. She is a mother of five children. After the tragic death of her four year old son in 2008, she experienced an awakening and went on to study and practice with a holistic approach to her patients. Spiritual counselling, meditative self-enquiry and energy healing formed the basis of her practice.

A further profound experience in India, in 2014, propelled her even deeper into the realms of energy medicine and the holographic field. Using embodied light frequencies, she removes behavioural triggers and energetic blocks from a patient's physical, emotional and energetic body. Working as deeply as the DNA level to clean, clear and activate full potential. This releases past life karma and trauma, dysfunctional family lineage patterns and the effects of the conditional matrix, we all live in today. With the understanding that humanity has been manipulated, sabotaged and controlled for life times, Maree believes we now have the opportunity to take back our power.

The Evenings' Presentation will Focus on;

- *Humanities Enslavement by Negative Agenda Entities.*
- *Various Methods of Sabotage include;- Genetic Manipulation, Mind Wipe, Recycled Energetic Imprinting of Fear from Past Lives, Implants, Energy Weapons, Mind Control, Wi-Fi, 5G, Chemtrails and many others.*
- *Keys to Becoming Sovereign and being Freed from the Matrix.*
 - *Activation to Clear, Clean & Up-Grade DNA.*
