Insight into Palmistry

Over the past 17 years, Trish has practised as a Professional Psychic Medium. She has worked around Australia and has been part of the team in the reading rooms at the Mind Body Spirit Festivals in Melbourne, Sydney and Brisbane for the last 10 years. She does readings most weekends at Psychic Expos around Victoria and, internationally, via phone and FaceTime for clients in Asia, US and Europe. She has studied at the Visionary Spiritual Institute of Australia and obtained professional membership in 2005 after advance studies in Palmistry, Tarot, and Numerology. Further studies have been Reiki, Crystal Healing, Feng Shui and Psychic Development. She has also attended workshops and seminars with Wayne Dyer, Caroline Myss, Sonia Choquette, Esther and Jerry Hicks. She participated in three International Tarot Conventions, and met Mary Greer, Rachael Pollack, Barbara Moore amongst others. Trish says that her soul's journey has been opening her to universal energy with spirit advancing her skills so she can help others.

At birth, both of your palms are very similar, representing your soul's purpose and gifts you are born with. As you mature, your dominant hand changes to reflect the direction your life actually takes, while the passive hand shows what you were meant to be. Palmistry is the art of reading the map of the life you have come to lead, and how freewill has changed this map.
