## **Tarot ~ ‘The Quest for Wisdom’**

In 1997, Linda gained professional status with the Tarot Guild of Australia. She has been reading Tarot professionally, since then, and is currently the Vice President of the Guild. She is also a qualified Teacher of the Deaf and has a Post Graduate Diploma in Auslan (Australian Sign Language). Linda has been fascinated by signs and symbols all her life and has been studying esoteric subjects for the past 20 years, with her other main areas of interest being Palmistry and Mediumship.

Tarot cards transcend history, nationality and changing times to speak to us of the consistency in the nature of the human soul. The images of the cards speak to our unconscious minds which result in communication beyond the mundane. Tarot cards are an empowering tool for developing one's intuitive abilities in the search for truth and wisdom.

The Evenings' Presentation will focus on;

- *Introduction to the Tarot Cards.*
  - *Uses of the Cards.*
  - *Symbology in the Cards.*
  - *Reading for Yourself.*
  - *A Practical Session.*
