Peter Burns

to speak on

Palmistry ~ Personality Diagnosis from the Hands

Peter studied Chirolgy (study of the hands) at the Southern School of Naturopathy in the 80's and since then he has consulted hundreds of people, and has been actively involved in teaching. He has been a Guest Speaker on ABC radio in Western Australia and on 3RRR in Melbourne. He has lectured at the Western Australian and Victorian Astrological Associations, and the International FAA Astrology Conferences. Peter is a strong advocate of the value of learning Palmistry for Astrology and those involved in the helping and healing professions. He also believes that the manifest outcome of the horoscope is contained on the hands and the time-lines on the palm, and that when Practitioners have been trained in the use of this amazing tool, their competence and effectiveness is greatly improved. He is seeking to promote a greater awareness of 'Hand Astrology' through his online [PALMISTRY DIPLOMA COURSE](#).

Palmistry is without peer in the diagnostic professions for speed and accuracy in personality analysis. Everybody carries with them two maps of the psyche, one revealing their inner world and the other showing the strategies used to fulfil these internal desires. The techniques of hand analysis are both simple and subtle and can be learnt by most people with sensitivity and intelligence.

The Evenings' Presentation will Focus on;

- *Overview of Palmistry and Relationship with Astrology.*
 - *Left Hand or Right Hand?*
- *The Palm and Fingers and How they are Assessed.*
 - *The Lines on the Palm.*
 - *The Fingerprints;- Genetic Indicators.*
 - *Putting the Information to Practical Use.*
