is proud to present

Santos Bonacci

to speak on

AstroTheology ~ ‘*The Holy Science*’

Santos has been studying Astronomy, Comparative Religion and Languages for over 30 years. He has been researching these ancient works, compiling and translating them into more accessible terms in his study of AstroTheology. He is also a professional Musician.

Santos believes that AstroTheology is the basis and origin for all of our Myths, Legends, Fairy Tales, Nursery Rhymes and Folk Lore. It is also the Pure Science developed by the very enlightened, wise and ancient priesthoods that give us the Holy Books of all religions. Discover the language and symbolism of Solar Science (profound knowledge of the solar system), otherwise known as 'The Holy Science'. This language was heavily veiled in allegory and symbolism and much of it was deliberately done to keep the higher truths from the masses.

The Evenings' Presentation will also focus on;

- *Nature; The Basis of all the Sciences.*
 - *AstroTheology at it's Best.*
- *The Sine Wave of Creation; The True Source of Myths, Legends, Nursery Rhymes, Folklore etc.*
 - *Astrology in the Bible.*
 - *How to Understand the Bible.*
- *Exposing the Lies of Organised Christianity.*
 - *No Religion! Just Science!!*
