## Crystal Skulls, Prophecies, Predictions & Practices

Bec, is an Internationally recognised Crystal Skull Caretaker, Shamanic Practitioner and Aura Intuitive. She is the owner of *Circle of Stones*, a new age business in the Yarra Valley region of Victoria and is recognised within the industry for her craftsmanship and medicine tools. She holds certificates in Crystal Healing, Animal Medicine and trained extensively in ancient Mayan/TOLTEC Shamanism. Bec has toured and participated in Skull rituals with Mayan elders as well as participated in skull initiations within the ancient temples of Mexico. She will be facilitating a return tour to Australia of the **Ancient Crystal Skull 'SYNERGY'** in 2012.

For thousands of years the Crystal Skulls have played a part in ancient Shamanic practices and prophecies. Some say they are from another world, some say they are instrumental in the doomsday of 2012. Are these life size skulls carved from quarts just a big Hoax? Or is there presence in our world far more important than we could ever have imagined?

The Evenings' Presentation will also focus on;

- *What are Crystal Skulls & What Are the Prophecies Surrounding Them?*
  - *Crystal Skulls in History and Time.*
  - *How to Activate the Crystal Skull.*
- *Geometry and Frequencies' of a Crystal Skull.*
- *Ancient Crystal Skulls and their Caretakers.*
- *Crystal Skulls in Modern Day Practices.*

Bec will be bringing along a contemporary 25lb Crystal Skull known as 'SIMON'.
