What's News!

Well, we have arrived at the end of another year, and, yes, it's Christmas time again! This year Christmas came early for Josephine and I when we were very surprised and overwhelmed with the generosity and acknowledgements we received from the many ASTRO members who, unbeknown to us, contributed to the beautiful gifts that we received at the last meeting, in acknowledgement of 18 years of service to ASTRO. We were informed on the night that six months earlier Bruno Calfa and the committee hatched this little plan to surprise us and what was even more surprising was how the members were able to keep it a secret for that long. A very special thanks must go to all those who contributed to the gifts, we are deeply humbled by your actions.

On the software side, over the past 12 months, once a week, we have been working with our webmaster and software expert, Ian Baker, who has done an excellent job integrating the various software modules and creating some new ones to implement a fully integrated package combining accounts, library and membership databases. Many thanks, to Ian, for his hard work and dedication.

Christmas Party

All members and friends are invited to ASTRO's End of Year Christmas Celebrations! Join us to celebrate the spirit of Christmas amongst friends and likeminded people. Looking forward to seeing you there!!
