Exploring Crystals

Eve is an ancestral Healer, following in the footsteps of her mother and great grandmother. She has been working with Crystals, Earth Energies and Biorhythms since childhood. Her love of nature led her to complete a Bachelor of Environmental Science in 1998. In 1999, she spent a year studying Asatru under a Rune Master and now also holds a Diploma of Complementary Therapies as well as a Reiki II Certificate. Eve has been running her business, **Sun Moon Sea**, since 2006 and for the last two years has held the position of President of the Australian Holistic Healers and Counsellors Association.

Crystals mined from the depths of the Earth are things of light and beauty. Since ancient times Crystals have offered a wealth of ways to heal and enhance our lives. Delve into the healing world of Crystals and expand your knowledge by discovering how to use Crystal energy healing techniques and experience the wonder of working with these beautiful beings.
