is proud to present

Athol Park

to speak on

Contact with Extraterrestrials

When Athol was young, two different types of extraterrestrials took him into their vehicles. The first type were the greys that abducted him against his will. The second type were benevolent, friendly, loving and invited him to go with them. He calls the second type the 'Blues', commonly known as Pleiadians.

The Pleiadians have been communicating with Athol for over 50 years and provided detailed instructions on how humans can live and prepare themselves for the planetary changes. After many years of silence, he is now going public and sharing his experiences and communications in the hope that it will trigger off memories for other people that have been contacted by aliens. The Pleiadians have provided step-by-step instructions on how humans can raise their consciousness. It is a seven stage program helping people develop their 5th dimensional abilities. Athol says that he is not trying to convince disbelievers that ET's, spaceships, UFO's and aliens exist, he is only sharing what happened to him and what they have told him over the years!

The Evenings' Presentation will Focus on;

- *Being Abducted by the Greys.*
- *Being Invited Voluntarily to go with the Pleiadians.*
 - *What the Pleiadians Taught Him.*
- *Further Ongoing Communications with ET's.*
- *How Humans Can Raise their Consciousness.*
