to speak on

Numerology Can Change Your Life!

Kayla is a registered Medium with the Victorian Spiritualist Union in Melbourne and has done public demonstrations at several of their churches over the past 30 years. She is a Clairvoyant, Clairaudient and Clairsentient and uses Tarot, Numerology, Cartomancy and Psychometry, as tools only. Trust in Spirit is of utmost importance and she helps those grieving the loss of someone close or a pet to understand there is no death but continuity of life in the next world.

Kayla has been teaching Numerology for almost 30 years and will show you a simple method of understanding this wonderful and accurate Science which does not forecast future events but accurately indicates why we react to life's challenges, choose relationships and careers. Why health issues appear and how Planets and Colours influence our choices. It gives us awareness of why we are here right now! From just your Birth-date and Names, your life-plan is visible but more importantly, understanding your Soul's path to a happier life. She believes that with some laughter and lateral thinking, we can all be wiser for the experience. For your benefit,

Kayla encourages an interactive audience which you'll discover to be fun and fulfilling.
